If you are interested in hosting this program in your school Contact Marianne at 845-942-7604 rtci@optonline.net

Our goal is to provide each student with an opportunity to learn a foreign language and its culture at the elementary/middle school level. The purpose of our program is to expose the elementary/middle school student to the basics of a foreign language by focusing on specific vocabulary, cultural topics, and basic communication skills. Our four-week program will be presented in a meaningful context through interactive, fun, and interesting activities. The curriculum is communication-based and will engage the student in active lessons through song, games, rhymes, crafts, group activities, and authentic materials from foreign countries. See Registration Directions. Choose "FLES" in the categories box. NYS Learning Standard: LOTE
