30 Credit Master's Degree in TESOL

The Master of Science in Teaching English to Speakers of Other Languages is designed to prepare prospective teachers of English Language learners from Pre-Kindergarten through Grade 12. Students successfully completing this program of study and who pass the requisite teacher certification content specialty examination in ESOL will be eligible for New York State Initial Certification in TESOL.

Reasons this program may be right for you:

- ✓ Are you looking for a full-time teaching job?
- ✓ Are you interested in working with English language learners from Pre-K to grade 12?
- ✓ Do you want to make yourself more marketable as a teacher?
- ✓ Do you need a Master's degree?
- ✓ Do you need 30 graduate credits?
- ✓ Certified ESL Teachers in high demand throughout New York Metropolitan areas
- ✓ Finish entire program in 5 semesters
- ✓ 8 of 10 courses held in Rockland County
- ✓ ESL students provided by RTCI for practical experience as part of an afterschool program
- ✓ Affordable - Reduced tuition & financial aid loans available through FAFSA
- ✓ Courses offered with convenient schedules evenings for most courses

Testimonial

"When I started the MSTESOL program at the College of Mount Saint Vincent in 2010, I was looking for a full-time employment as a certified secondary Social Studies teacher. Thanks to the MSTESOL program, I earned my Master's degree as well as an ESL certificate, which led me to find my dream job." --Kristin O'Connor, ESL teacher at North Rockland High School--.

Tuition Starting FALL 2016:

5 courses at CMSV On-Campus price: \$1,764* per 3 credit course (2 will physically meet on-campus)

5 courses at RTCI Off-campus price: \$1,550* per 3 credit course

*Tuition is subject to university cost increases and all prices are subject to change without notice.
