

expanding the education
of our community

March 2019

Teacher Center Funding Supports:

Culturally Responsive Education and Culturally Diverse Learners

Developing programs that address school culture, including racial and social justice issues.

Safe and Secure Learning Environments

Creating and maintaining safe, secure and inclusive learning environments for all students.

Aligning Technology with Instruction

Advancing state-of-the-art strategies and applications secured by the Smart Schools Bond Act.

Teacher Retention and Teacher Leadership Development

Providing mentor programs for new educators and facilitating National Board Certification for veteran teachers.

Next Generation Learning Standards

Connecting academic and applied knowledge in all subject areas, including Career and Technical Education.
