Teen Leadership Rockland

Teen Leadership Rockland is a condensed version of the full Leadership Rockland program. The **Leadership Rockland Board of Directors** and **Cornell Cooperative Extension 4-H Youth Development Program** jointly administer the program. The majority of presenters and coordinators for the individual program days are alumni of the Leadership Rockland program.

Program Information

Through a series of interactive programs, Teen Leadership Rockland provides a unique opportunity for a select group of motivated students to connect with their peers from around the county and with a diverse group of community leaders representing business, education, and government. The program is open to all high school sophomores who are Rockland County residents. Ideal candidates are students interested in developing leadership skills they can use to make contributions to their schools and communities while preparing for college and future careers. No current leadership experience is required, but a demonstrated ability to take initiative and a commitment to learning are important components of the application process.
